Subject: Notification of CAAC Special Approval

Dear Sir or Madam,

Based on CCAR145 regulation and your application for renewal approval from CAAC, the purpose of this letter is to formally inform you that CAAC agree your company continuing to provide maintenance work for Chinese customer with your present CAAC Maintenance Organization Certificate (number F06400241) which should be expired on Dec.31, 2009. This temporary approval is valid until you have received any other formal approval issued by CAAC or before the day Dec.31, 2010, which comes earlier. Your company may release the Engine after the maintenance work finished during this period by this Special Approval, and the working scope is limited to the Rating specified on the MOC approved by CAAC.

The copy of this letter shall be attached with the releasing document.

Yours Sincerely,

Chen Nan

Deputy Director

Continuous Airworthiness & Maintenance Division

Flight Standard Department of Civil Aviation Administration of China (CAAC)

SUBJECT: CAAC Maintenance Organization Certificate

Dear Mr. Sir/Madam,

Based on the audit report from CAAC inspectors, the Maintenance Organization Certificate has been issued to you while the MOM still has not been approved. When you receive the new certificate, please update the MOM and then send to CAAC for approval. The following information shall be included in the MOM:

1. Revise the descriptions in part 8 of the MOM to make sure that it can comply with those approved in the Maintenance Organization Certificate.
2. In the Part related to "contract out items and contractors management requirements", please add the statement "for any component with CAAC release certificate AAC-038 issued by the company itself, the major repair work and final test of this part will be provided by the company itself."

When you received the Renewal approval, please send the old certificate back to CAAC.

Yours truly,

Gu Jia Zheng

CAAC Inspector
